

11th

International Symposium of GASTROENTEROLOGY

SCIENTIFIC PROGRAMME

Thursday: 12 May 2016

13:00–13:20	Opening session Milan LUKAS, <i>Czech Republic</i> Vladimir T. IVASHKIN, <i>Russian Federation</i>
13:20–13:40	Bares lecture Metabolic syndrome – Obesity as a risk factor for GI-disease development Petr DITE, <i>Czech Republic</i> <i>Department of Gastroenterology, Metabolism and Nutrition, Clinic of Internal Medicine, University Hospital and Faculty of Medicine Ostrava</i>
13:40–15:00	Session I: NAFLD and comorbidity Chairs: Vladimir T. IVASHKIN, <i>Russian Federation</i> Mark THURSZ, <i>United Kingdom</i>
13:40–14:00	State of the art lecture Current approaches to diagnosis and treatment of NAFLD Mark THURSZ, <i>United Kingdom</i> <i>Imperial College, London</i>
14:00–14:20	NAFLD and alcoholic liver disease: Similarities and differences Marina V. MAEVSKAYA, <i>Russian Federation</i> <i>Sechenov First Moscow State Medical University, Moscow</i>
14:20–14:40	NAFLD and cardiovascular comorbidity Oxana M. DRAPKINA, <i>Russian Federation</i> <i>State Scientific Research Institute of Preventive Medicine, Moscow</i>
14:40–15:00	Which doctor should treat NAFLD? Rafael G. OGANOV, <i>Russian Federation</i> <i>State Scientific Research Institute of Preventive Medicine, Moscow</i>
15:00–15:30	Coffee break

11th

International Symposium of GASTROENTEROLOGY

SCIENTIFIC PROGRAMME

Thursday: 12 May 2016

15:30–17:10	Session II: Progress in therapeutic endoscopy Chairs: Julius SPICAK, Czech Republic Hubert PIESSEVAUX, Belgium
15:30–15:50	State of the art lecture Endoscopic surgery – Emerging techniques which completely changed the current clinical practice Julius SPICAK, Czech Republic <i>Hepatogastroenterology, Institute for Clinical and Experimental Medicine, Prague</i>
15:50–16:10	The European perspective of endoscopic submucosal dissection Ondrej URBAN, Czech Republic <i>Gastroenterology dept., Hospital Vitkovice, Ostrava-Vitkovice</i>
16:10–16:30	EUS-guided and EUS-assisted interventional biliary endoscopy and endoscopic anastomoses Rastislav KUNDA, Denmark <i>Department of Surgical Gastroenterology L, Aarhus University Hospital, Aarhus</i>
16:30–16:50	Endoscopic diagnosis and tissue sampling in Barrett's oesophagus Eduard VESELINY, Slovakia <i>1st Department of Internal Medicine, Faculty of Medicine, Pavol Jozef Safarik University in Kosice</i>
16:50–17:10	Is POEM a valid method for the treatment of achalasia patients? Hubert PIESSEVAUX, Belgium <i>Cliniques universitaires St-Luc, Université catholique de Louvain, Brussels</i>

11th

International Symposium of GASTROENTEROLOGY

SCIENTIFIC PROGRAMME

Friday: 13 May 2016

9:00–10:40	Session III: Inflammatory bowel disease Chairs: Milan LUKAS, Czech Republic Vito ANNESE, Italy
9:00–9:20	State of the art lecture Progress in conservative therapy in IBD Milan LUKAS, Czech Republic <i>ISCARE I.V.F. a. s., Clinical Center Lighthouse, Prague</i>
9:20–9:40	Can we use aminosalicylates in clinical practice in IBD patients? Grazyna RYDZEWSKA, Poland <i>Clinical Department of Internal Medicine and Gastroenterology with Inflammatory Bowel Disease Unit, Central Clinical Hospital Ministry of Interior in Warsaw</i>
9:40–10:00	Laparoscopic procedures in IBD: Limits and advantages Mojmir KASALICKY, Czech Republic <i>Surgical Department, 2nd Medical Faculty of Charles University and Central Military Hospital, Prague</i>
10:00–10:20	Endoscopic surveillance of colorectal carcinoma and dysplasia in IBD patients Vito ANNESE, Italy <i>Gastroenterology Unit SOD2, Careggi University Hospital, Florence</i>
10:20–10:40	Functional GI disorders and IBD debut (clinical cases) Sergej VYALOV, Russian Federation <i>GMS Clinic, Moscow</i>
10:40–11:10	Coffee break

11th

International Symposium of GASTROENTEROLOGY

11:10–12:50	Session IV: Diagnostic and therapeutic approaches in GERD Chairs: Vladimir T. IVASHKIN , <i>Russian Federation</i> Alexander S. TRUKHMANOV , <i>Russian Federation</i>
11:10–11:30	State of the art lecture Questions of diagnostics and treatment of different forms of GERD Vladimir I. SIMANENKOV , <i>Russian Federation</i> <i>NorthWestern State Medical University named after I.I. Mechnikov, Saint Petersburg</i>
11:30–11:50	Update in management of gastroesophageal reflux disease (GERD) Peter MALFERTHEINER , <i>Germany</i> <i>University of Magdeburg, Department of Gastroenterology, Hepatology and Infectious Diseases, Magdeburg</i>
11:50–12:10	The non-erosive form of GERD – A modern understanding of the problem and approaches to treatment Alexander S. TRUKHMANOV , <i>Russian Federation</i> <i>Sechenov First Moscow State Medical University, Moscow</i>
12:10–12:30	GERD complications: Barrett's metaplasia and others. Recommendation for clinical practice Radek KROUPA , <i>Czech Republic</i> <i>Department of Internal Medicine and Gastroenterology, University Hospital and Faculty of Medicine, Masaryk University, Brno</i>
12:30–12:50	GERD in patients with metabolic syndrome Igor MAEV , <i>Russian Federation</i> <i>A.I. Yevdokimov Moscow State University of Medicine and Dentistry, Moscow</i>
13:00–14:00	Buffet lunch
13:30–14:30	Poster session discussions Chairs: Jan KOTRLIK , <i>Czech Republic</i> <i>Czech Society of Gastroenterology</i> Jose ARMENGOL MIRO , <i>Spain</i> <i>Digestive System Research Unit, Vall d'Hebron Hospital, Barcelona</i>

11th

International Symposium of GASTROENTEROLOGY

SCIENTIFIC PROGRAMME

Saturday: 14 May 2016

9:00–10:20	Session V: Hepatology Chairs: Marek HARTLEB, Poland Lubomir SKLADANY, Slovakia
9:00–9:20	State of the art lecture Current therapeutic armamentarium in cholestatic liver diseases Marek HARTLEB, Poland <i>Department of Gastroenterology and Hepatology, Medical University of Silesia in Katowice</i>
9:20–9:40	Diagnostic and therapeutic possibilities in primary sclerosing cholangitis Pavel DRASTICH, Czech Republic <i>Hepatogastroenterology, Institute for Clinical and Experimental Medicine, Prague</i>
9:40–10:00	Alcoholic liver diseases: Diagnostic and therapeutic possibilities Lubomir SKLADANY, Slovakia <i>Hepatology, Gastroenterology and Liver Transplant Unit, Dept. of Internal Medicine II, F. D. Roosevelt University Hospital, Banska Bystrica</i>
10:00–10:20	Non-alcoholic steatohepatitis (NASH): Which therapy do we have? Tomasz MACH, Poland <i>Department of Gastroenterology and Hepatology, Jagiellonian University Medical College, Krakow</i>
10:20–10:50	Coffee break

11th

International Symposium of GASTROENTEROLOGY

SCIENTIFIC PROGRAMME

Saturday: 14 May 2016

10:50–12:10	Session VI: Colorectal malignancy Chairs: Jaroslav REGULA, Poland Jan KOTRLIK, Czech Republic
10:50–11:10	State of the art lecture Screening of colorectal carcinoma: Hot topics in the current clinical gastroenterology Tomas GREGA, Czech Republic <i>Department of Internal Medicine, First Faculty of Medicine of Charles University and Military University Hospital, Prague</i>
11:10–11:30	Hereditary polyposis syndrome. What have we learned in the last ten years? Martin HUORKA, Slovakia <i>V. Intern clinic, Department of Gastroenterology and Hepatology, V. Intern clinic Faculty of Medicine, University Comenius, Bratislava-Ruzinov</i>
11:30–11:50	IBD as a risk factor for colorectal carcinoma. A real threat or more likely fiction at this time? Lubomir JURGOS, Slovakia <i>Jurgos s. r. o., Private Outpatient Department of Gastroenterology, Poliklinika Mytna 5, Bratislava</i>
11:50–12:10	How to make the screening for colorectal carcinoma more effective Michal KAMINSKI, Poland <i>Department of Gastroenterology, Maria Skłodowska-Curie Memorial Cancer Center and Institute of Oncology, Warsaw</i>
12:30–13:30	Buffet lunch

11th

International Symposium of GASTROENTEROLOGY

POSTER SESSION DISCUSSIONS

Poster 01	<p>Hepatocellular carcinoma in central Slovakia: Cohort from tertiary referral centre</p> <p>Svetlana ADAMCOVA-SELCANOVA, Slovakia <i>HEGITO (Div. Hepatology, Gastroenterology and Liver transplantation) of Dept. Internal Medicine II, Slovak Medical University, Banska Bystrica</i></p>
Poster 02	<p>Pilot screening of NAFLD in patients with overweight/obesity and diabetes</p> <p>Maria BELOVICOVA, Slovakia <i>Internal ambulance focusing on the diagnostics and treatment of liver diseases, Remedium, s.r.o., Bardejov</i></p>
Poster 03	<p>In situ split liver resection – A new method of inducing remnant volume regeneration</p> <p>Denys I. SKORYI, Ukraine <i>GI “Institute of General and Urgent Surgery of NAMS of Ukraine”, HPB Surgery Department, Kharkiv</i></p>
Poster 04	<p>Place of application inhibitors of the proton pump in treatment of the chronic pancreatitis</p> <p>Feruza I. KHAMRABAEVA, Uzbekistan <i>The Tashkent institute of postgraduate medical education, Tashkent</i></p>
Poster 05	<p>The pathogenetic approach to therapy of chronic pancreatitis of the biliarnic etiology</p> <p>Feruza I. KHAMRABAEVA, Uzbekistan <i>The Tashkent institute of postgraduate medical education, Tashkent</i></p>
Poster 06	<p>Gilbert’s syndrome and changes in lipoprotein spectrum</p> <p>Stella HLINSTAKOVA, Slovakia <i>Department of Internal Medicine, University Hospital Bratislava, Bratislava</i></p>
Poster 07	<p>The metabolism of leptin in trophological disorders</p> <p>Elena LYALYUKOVA, Russian Federation <i>Omsk State Medical University, Omsk</i></p>
Poster 08	<p>The heterogeneity GERD based on data of the 24-hour pH-impedancemetry</p> <p>Nadezhda LISHCHUK, Russian Federation <i>Northwestern State Medical University named after I. I. Mechnikov, Saint Petersburg</i></p>
